Total **current charges** include water, sewer, trash, and any payment arrangement balance.

Your **water usage** is measured in CF (cubic feet). Current read minus prior read is the number of CF used in the billing period.

Water Charges are based on each 100 CF used. 100 CF equals 748 gallons.

The **Water Charges** include Sewer if you receive sewer service from JXN Water.

The **sanitation charge** is for your garbage service. JXN Water does not provide or manage this service, but it bills for it and transmits the money to the city.
